

EXHIBIT A
Program Transferability Attachment
Between
MacMurray College and **Greenville University**

In an effort to provide the best possible experience for students transitioning from MacMurray College to **Greenville University**, **Greenville University** has prepared transfer guides for MacMurray College students. MacMurray students will meet the expected general education and major requirements as set forth in these documents made in accordance with **Greenville University's** catalog.

For general education, five transfer guides are prepared for students based on their earned credits at the time of matriculation. Various adaptations of requirements have been made for students with more than 60 credits. Academic Deans will work with students to assure that students will be able to complete their programs.

- A) Less than 60
- B) 60-69.5
- C) 70-79.5
- D) 80-89.5
- E) 90 or greater

MacMurray College majors have been articulated to similar **Greenville University** majors. Academic Deans will work with students to enable students to complete their programs. The following guides are included in this Exhibit A.

- Accounting
- Biology
- Business Management (traditional and online)
- Chemistry
- Criminal Justice (traditional and online)
- Educational Studies
- Elementary Education
- History and Political Science
- Marketing
- Psychology, BA (traditional)
- Psychology, BS (online)
- Social Work (BSW)
- Special Education
- Sport Management

APPENDIX A
3.23.20

GU General Education Requirements
MacMurray Articulation
Transfers with less than 60 credits
Requirements to be met

The left column represents courses taken to be transferred to GU and how they are applied to the GU General Education requirements listed on the right. Academic Deans will receive and act upon requests for substitutions of any general education or major requirements.
