Program Transferability Attachment
Between
MacMurray College and Western Illinois University

In an effort to provide the best possible experience for students transitioning from MacMurray College, Western Illinois University has prepared transfer options for MacMurray College students.

Students currently enrolled in MacMurray College's Bachelor degree programs are encouraged to transfer to Western Illinois University Bachelor degree programs offered at the Macomb campus, Quad Cities campus or online.

Western Illinois University is providing two options for such students:

Option 1 – Convert to Western Illinois University available programs of study.

Students with two years of coursework or less behind them are encouraged to convert to Western Illinois University's current requirements for its Bachelor degree programs. Bachelors degrees are available in B.S., B.A, B.F.A, B.S.Ed, B.B., B.L.A.S., B.M., B.S.W and B.S.N.. Degree audits showing how MacMurray College credits will transfer into Western Illinois University programs will be sent to a student upon receipt of the student's application and transcripts. An evaluation of unofficial transcripts prior to applying are also available upon request.

Option 2 – Teach Out Option

WIU will attempt to recreate, as closely as possible, MacMurray College's program of study for all appropriate degrees. Students transferring to Western Illinois University under this agreement have the option to graduate from Western Illinois University by completing this program of study including students with fewer than 30 credit hours.
